

Case Study

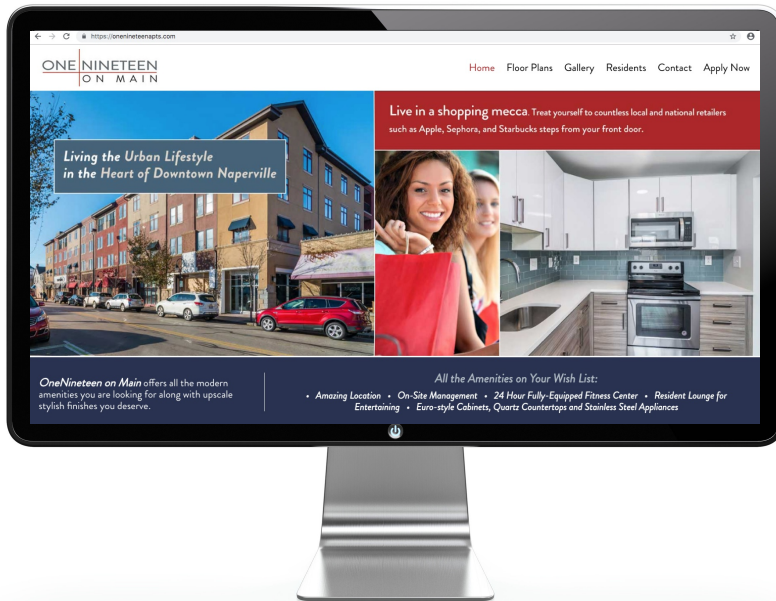

ONE NINETEEN ON MAIN

OneNineteen on Main is an urban midrise located in downtown Naperville, Illinois. New owners purchased the property and transitioned it from college housing to updated apartments with luxury upgrades. Brand new community spaces were created.

Kaleidoscope was brought in to brand and market the property. It was all about spreading the word that OneNineteen on Main was fresh and new. Tasks included a new clean, modern logo and color palette, floor plans, ads for local publications and a new website.

With shopping and dining just beneath the apartments, OneNineteen on Main has become a very popular place to live.
